

# Ride-Along Morning

To Students and Their Parents:

Have you ever wondered what it would be like to ride the bus to school? How would you like to have a morning on the bus with your child? We would like to encourage you to consider the possibility of having your child ride the school bus to and from school this coming year.

On Friday, September 3, 2010 the bus drivers will be driving their Morning Routes to check out all stops and times one last time before school starts. We would like for you and your child to ride the bus together to school, meet the driver, and have a good time.

When you get to school, I will meet with you to talk about our Transportation Department. After the meeting, the drivers will drive you and your child back to where you were picked up. You should be back to your stop no later than 10:30 am.

Please look at the Bus Routes that have been established and see where the stop is that is most convenient for you. Then be at the bus stop 5 minutes before the designated time. The Shuttle will not be run on this day. If you plan to normally use the shuttle, just for today, pick the most convenient route stop for you.

If you ride on September 3, there is no commitment to ride again. This can be just a fun morning for you and your child before school starts.

If you have any questions, please call me at (818) 767-8382, ext. 211. I am looking forward to meeting you and your child.

Mrs. Lonnie G. Whitten  
Transportation Director
