SAT Test Prep Opportunity

Dear Parent(s) of Juniors:

A couple weeks back we had a successful PSAT Night here at Village Christian where parents had the chance to receive their child's PSAT score report, learn about the college admissions process and hear a presentation about how to interpret the PSAT score from Steve Dorfman the owner of Tier One Tutors.

One of the important things that came out of the discussion that night was that it is now SAT season and time for your child to start preparing and studying for the SAT. There are numerous ways that one can tackle this process, ranging from private tutoring to self-prep. That being said, we are partnering with Tier One to bring you an effective and comprehensive SAT preparation class that will be starting February 13th and will end April 24th, just in time for the May and June SAT exams.

Test 1: February 13th 8am-12pm
Class 1: February 20th 8am-11am
Class 2: February 27th 8am-11am
Class 3: March 6th 8am-11am
Test 2: March 13th 8am-12pm
Class 4: March 20th 8am-11am
Class 5: March 27th 8am-11am
Test 3: April 17th 8am-12pm
Class 6: April 24th 8am-11am

Tier One is one of the largest providers of SAT preparation in Southern California and besides working with Village Christian, they also partner with over 40 public and private schools around Los Angeles and Orange Counties. The class they are offering is 30 hours in length, includes all the books and materials your child will need, is taught by a trained SAT instructor and will also include 3 proctored SAT exams. The cost of the class is \$399.

The sign-up deadline for the class is coming up February 8th. To enroll your child in the class, ask questions or learn about any of Tier One's private tutoring programs for the SAT, ACT, AP's or other academic subjects, please contact Steve or Brian directly at 818 780 9921.

We look forward to continuing success together and helping you and your child during this exciting and stressful time.

Thank you,

The Guidance Department
