Dear parents,

This Saturday, February 27th, at 3:00 and 7:00 in the VCS gym a cowboy and a biker will try to use their flux capacitor to go back in time to save a construction worker who was kidnapped by winged monkeys. You do not want to miss it.

This is our sixth annual Fine Arts Showcase and is sure to be our most entertaining yet. We have taken a movie theme and come up with a concept that I think everyone in the family will enjoy. The middle and high school symphonic bands, string orchestras, and concert choirs will be performing selections from movies like the Lord of the Rings, Back to the Future, and Hercules. We will have a special performance by the dance team, drum line, and drama students. We have even invited alumni and teachers to lend their talents.

**WARNING:** There will be three loud gunshots and some shouting at times, so take care with small children.

To cover costs, we are asking \$5 for admission. Tickets can be purchased at the door, or you can reserve seats closer to the action by e-mailing Patty Prange at patty5@aol.com. She can set tickets aside for you which can be paid for on the day of the event. Just send her a head count and she will give you the best seats available.

I hope to see you there!

John Barnts --- Director of Fine Arts
