Update on Village Chapel and Request for Funds

The good news is that as you read this the inside of the chapel is being repainted. As soon as the paint has dried we will be asking for any electricians in the Village Family to help install the chandeliers. All the chandeliers have been sponsored and paid for as well as the paint to paint the chapel. In addition, we have someone who has stepped forward to make a donation of \$2,000 toward the carpeting. The total estimate for carpeting for the chapel is \$5,000, leaving a balance of \$3,000. The total amount of carpeting needed is 250 total yards at about \$20 per yard installed. This means we need 150 more yards to be sponsored. We greatly need people who can sponsor a yard or more of carpeting.

We are also raising money for the chapel remodeling by allowing people to sponsor pews. Pews will be sponsored at \$200 each for 20 pews. There will be some kind of signage either on a plaque or on a pew denoting the sponsorship. There may be multiple names on a pew if there are more than 20 people who wish to sponsor a pew. It may also be possible to honor a teacher or loved one with their name on a pew. Monies raised from these sponsorships will go towards refurbishing the actual pew. If you are interested, please drop off your check for any amount at the admissions office. You can make the check out to VCS with *chapel* in the memo line. All donations are tax-deductible.
