Recently, we sent a message about "Save the Date! G.A.T.E.WAY GALA," a dinner at the Ronald Reagan Library. The purpose is to raise funds to help support families who wish to provide their children with a Christian education, but cannot.

The Inaugural Gateway Gala, originally scheduled for May 18th, has been postponed in order to give it the full and complete attention and effort that it needs and so richly deserves. Our faithful PTF have been diligent in their service and sacrificial support efforts and we wish to afford them the opportunity to regenerate in order to assist us in meeting the task of hosting a most successful event. As such, we wish to ensure that it will be a fruitful blessing to those who will be a part of the evenings' festivities as well as those whom we endeavor to bless through its tangible support and provision. The Gala will take place in the fall and we will correspond with you, immediately upon securing the date in order to provide you ample time to join us for this watershed event. Thank you in advance for taking part in this opportunity to make a quality, Christian education more readily available to those who stand to benefit greatly from this inspired gathering.

Sincerely,

The Gateway Gala Committee
