REMINDER: THE VCS SENIOR SCHOLARSHIP PROGRAM

Seniors are in the process now of applying for one of nine different Village Scholarships. The program offers over \$11,000 for graduating seniors with 20+ awards ranging from \$500 to \$1,200.

The scholarships offered vary in terms of qualifications and purpose. Some scholarships are awarded to students planning on attending vocational school or community college, while others apply toward four-year college expenses. We would encourage you to look at the scholarship information on the school website by selecting Academics - Guidance/Counseling or HS Home and click on the Scholarship Information link. Your senior might be eligible for one or more of these scholarships.

To apply, each applicant must complete the application that is on the website and obtain two or three references. All forms and instructions are on the website. One reference must come from a church official (youth pastor is preferred). Applications and references are due in the Counseling Office by Friday, April 16, 2010.

If you think your senior qualifies for any of these scholarships, please encourage him or her to complete the application by the above deadline to be considered. I would love to be able to help your family defray some of the costs of college or vocational school.

Sincerely,

The Guidance Department
