**Subject:** Mexicali Group Okay after Baja Earthquake  
**Attachments:** powerphplist.png

Students and leaders in Mexicali are fine. Everyone in our VCS group are accounted for and there are no injuries.

The epicenter of a 7.2 earthquake occurred 45 miles form Mexicali. They lost electricity and currently there is no cell phone coverage that we are aware of. The school's Nextel radios are working intermittently and we have received reports through them.

We will send out more info as we receive it.
