Following are recent updates about the Mexicali group. These and any new updates can be found at the VCS website ([www.villagechristian.org](http://www.villagechristian.org)). VCS journalism teacher, Mrs. Cowell, who has family on the Mexicali trip has provided a report that can be found at <http://www.villagechristian.org/miscpages/mexicali-trip-update.aspx>.

Monday:

Water and power has been restored.

Sunday Evening:

Mr. Lagasse confirmed that everyone is safe; they are not cutting the trip short! He believes transportation and road disruptions will not affect them. They have no power, but are using car headlights to secure the perimeter of the camp and have a back up generator they are firing up. They hope to have power tomorrow (Monday) and will use the generator for chapel services tonight (Sunday).
