Subject: Leadership Transitions - Head of School, HS Principal
Attachments: powerphplist.png

Dear Members of the Village School Family,

For the past several months, the Board has been meeting with parents, faculty, administration, and staff as we are planning for an effective leadership transition. After careful thought, prayer and consideration, we are pleased to announce that Ray Endacott, Assistant Superintendent for Curriculum and Instruction, will continue in his leadership role by acting as Head of School for next year. We are also pleased to announce that High School Counselor Lisa Levoe has agreed to continue her faithful service to students and parents by acting as High School Principal. Ray and Lisa have served at Village Christian Schools for a combined 50 years and have been deeply involved in a broad spectrum of school operations. Their long term commitment to the mission of the school will ensure that the core values of being Christ-Centered, Accessible/Affordable, building Real Relationships, and providing an Excellent Education will continue to guide the school. We are confident in their leadership, abilities, experiences, and personal commitment. Their willingness to accept God's calling to these increased responsibilities further demonstrates their dedication to the mission of Village Christian Schools. Their acceptance of these positions provides stable, effective leadership as we continue our search process and seek God's calling of a permanent Head of School.

Sincerely,

Bob Swanson
Chairman, Village Christian School Board
