**To all parents and students interested in VCS Summer Programs:**

Amazingly, this school year is drawing to a close and summer is right around the corner! VCS offers several opportunities during the summer that you may wish to take advantage of, and the deadlines for registration are quickly approaching. The full details of each of these programs can be found at our school website, VCS Summer Programs, or in a Summer Programs 2010 Brochure, which is available in any school office. Most programs have discounted rates available if students are registered by May 28th, so please make your plans soon!

**Here is a brief look at dates and programs available:**

**Day Camp:**

Day Camp is available on a weekly basis from June 7th - August 27th for all students (including non-VCS) entering 1st - 8th grade in Fall 2010. The theme this year is "Take Action!" and optional trips include: Zuma Beach, Medieval Times, Soak City, the McCambridge Pool, the CA Science Center, and many more!

**Elementary Summer School:**

Elementary Summer School is a four week program from June 21st - July 16th from 8:00 a.m. - 12:00 p.m. designed to help prepare students entering K - 5th for success in the next school year. These smaller classes provide individual attention and are a great way to help students retain information learned the previous year. Childcare is available through the Summer School Child Care program after the hours of summer school.

**Middle and High School Summer School:**

We offer both middle school and high school courses during the summer to help students either remediate poor grades or to "get ahead" and free up room in their schedule the following year. Depending on the course, classes are either 3 weeks or 6 weeks from June 21st - July 30th from 8:00 a.m. - 12:00 p.m.

**Fine Arts Academy Electives:**

The Fine Arts Academy is offering 3 different 3 week courses this summer for all of our budding thespians! These classes are available in the late afternoon and do not interfere with summer school, should a student want to participate in both. One exciting offering is an "Elementary Musical Theatre" course for 1st - 5th graders, and is led by Rory Patterson. The other opportunities are for middle and high school students and are "Improv for Theatre" and "Fundamentals of Acting" led by Tannis Hanson.
