60th Anniversary Commemorative Edition of Village Voice..

Parents, be on the lookout for these books as they are being handed out to each student this week. Middle and High School students will receive them in Seminar classes. Elementary students will take them home in their folders.

Chapel Progress..

We have had a nice response for the gently used chandeliers from our Chapel. There are a few left, so if you would like a "bit of history," please contact Camille Martinelli in the Administration Office.

Mr. Bill Cowell, who has worked tirelessly on our Chapel Beautification project, is working on the last phase which is the Chapel pews.

He has arranged a work day on Saturday, May 15th beginning at 8:30 a.m. to sand the pews and prepare them for staining. There are twenty pews, so we need all the help we can get.

- If you have an orbital or belt sander, please bring them along.
- We also need people who can help give advice and supervise the sanding.
- Please email Bill Cowell at billcowell@ca.mn.com, if you can help.

Thank you.
