**Updated AP Testing Information**

Testing for students in AP classes will occur during the first two weeks of May. Some testing times and locations have changed since a letter was sent to senior parents a few weeks ago. The information given to students in their AP classes last week **does** reflect those changes.

General Information: Our AP testing this year will either take place on campus (in the gym or in room G-3 upstairs in the gym) or at Village Church in Burbank (3216 West Victory BLVD). We are NOT conducting any testing at the La Tuna Canyon church site where we tested last year. The testing room at Village Church is the Fellowship Hall which is downstairs in the building that houses the church office. We typically must conduct at least some tests off-site in order to comply with all College Board rules for student spacing and break times. Students are responsible for their own transportation to and from Village Church. Students should report to morning exams at 7:30 and to afternoon exams at 11:30. Students will be dismissed from morning exams at around 11:30 and from afternoon exams at around 3:30. Students are not required to attend classes on the day of their AP exam if they return a signed parent release form (which was given to students last week—copies are available in the Curriculum Office).
