Subject: A Message from Head of Schools - Summer Greetings
Attachments: powerphplist.png

A warm summer greetings to all of you in our Village Christian Family. I consider it an honor to share with you some of the exciting things that are happening at Village Christian Schools. I also want to share with you the vision God is revealing to me as I look toward the future of VCS.

While I am aware of the challenges we are facing as a school, I am more impressed with the amazing things God is accomplishing through our students, families, faculty, staff and coaches. VCS is truly a gifted and committed community of individuals who care deeply about each other and the future of our school. This passion will be much more valuable to our students and our renewed success than the facilities and program improvements we will make.

I truly believe that God is preparing VCS for sixty more years of outstanding Christian education. While our rich legacy and tradition are exemplary, I believe our best days are ahead. The administration and I are preparing some exciting new programs and experiences to make this upcoming year very special. Our focus is your child, and our commitment is to make sure he/she will have the best year of their young lives this upcoming school year. We are going to build on the strong program and traditions that VCS has created over the past six decades and compliment them with cutting edge new initiatives. We are going to enhance our current dedicated and talented staff with some key new employees who will help to take us to the next level of school greatness. We look forward to sharing the specifics of these exciting new plans with you in the months ahead.

As I mentioned in my inaugural address to the employees and parents this June, I know that God is not through with the ministry of VCS. Now that I have been on campus for the past few weeks, I am even more convinced that God is at work in preparing us for an amazing new chapter in our life as a school community. Please enjoy your summer and continue to pray for VCS!

A couple of quick announcements:

1. To reward our dedicated and hardworking staff and administration, we will be closing the Central and School offices Fridays at 1:00pm this summer. Child Care, maintenance, and many of the coaches will still be on campus Friday afternoons should you need any assistance.

2. We are planning several campus enhancement programs this summer. Our beautiful campus needs some improvements. If you would like to be part of the fun in preparing the VCS campus for the school year, please let me know. We are going to have some fun work days in August to freshen up the campus and would love some skilled and even unskilled co-laborers. Please call or e-mail me tomk@VillageChristian.org for more details.
