

Reading Requirement

You are required to read chapter books throughout the school year. These books must have 75 or more pages of text. They must also be at an **appropriate reading level** (challenging, but still enjoyable). If a book has less than 75 pages, you must have permission from me in order to have it count towards your grade.

Each book you read is worth a certain number of points.

3 points: Any book from the "4th Grade Book List"

2 points: Any book written by one of the authors on the "4th Grade Authors List"

1 point: Any other book that has at least 75 pages

(Exception: You may petition a 1 point book if you think it should be worth more points. See me for the specific directions for petitioning a book. After petitioning, I may decide to award you more points.)

After you finish reading a book, you must complete a Book Adventure quiz. If a quiz is not available for your book, you must complete a book review. Once the quiz or book review is successfully completed you will receive points for that book. You will receive a grade for the number of points you earn during each quarter. This grade will be averaged into your reading grade.

Reading Requirement Grading Scale:

<u># of Points</u>	<u>Grade</u>
6	100 % A+
5	95 % A
4	85 % B
3	75 % C
2	70% C-
1	60 % D
0	0 F

How to Earn your points?

Points can be earned in two ways:

1. If a Book Adventure quiz is available, you must complete the quiz.
 - You must complete the quiz at school.
 - You must get at least 7 out of 10 questions correct.
 - If you do not pass the quiz the first time, you may take it one more time.
 - If you do not pass the quiz on the second time, you will need to complete a book review.
2. If a Book Adventure quiz is not available, you must fill out a book review.
 - Be sure to follow all the directions on the book review.
 - Be sure to have a parent sign your book review.
