

Village Christian Spring Fling Facility Rules 2022

1. Facility Access

The entrance is on Village Avenue. Turn left at the entrance gate/booth. The drive along the front of Campus is **ONE WAY ONLY!** The black exit gate is at the stop sign and automatically opens once you are near. This black exit gate is the only way out.

2. Parking

Parking is only allowed in marked spots. There is additional parking in front of the school. There is no parking on the side of the road or in front of any access gates. There is no parking on Village Avenue on the back side of the football field. Fire Department access is critical in the event of an emergency. This could be due to our dry hillsides or an emergency injury situation. Vehicles may be towed! Our road is narrow and it is impossible for 2-way traffic with vehicles parked alongside the road.

3. Spectating

Please be respectful of others in “social distancing” along with specific current County protocols.

You are welcome to use the bleachers or set up chairs along the outfield fence. Please clean up after yourself and use the trash cans provided.

Inappropriate behavior towards any Tournament Official, Coach or Umpire is grounds for removal from the Campus.

4. Food

The Snack bar is open for your needs. Due to our dry hillsides and wind, cooking/tailgating is not permitted. Please clean up your area before you leave.

5. Boundaries

Please be aware there are wild animals in the hillside surrounding the field. Please stay off of the hillsides. People may encounter snakes in the hillsides. Please avoid wandering about the Campus. There may be other activities on Campus. Campus Tours can be arranged.

6. Restrooms

There is a portable toilet on site and Bathrooms will be available. Once again, please clean up after yourself.

7. Warm ups

Please use the lower turf field to warm up while the games are still going on the field. **NO SPIKES ALLOWED** on the turf surface. The batting cages (2) have pitching rubbers and are also available for pitchers to warm up.
